香港

我在香港找房子的時候，沿著地鐵線每一站每一站的下車找。到將軍澳寶林站下車的時候，在開闊的人行道，（確實是開闊，這個在香港幾乎不可能出現的詞，路面上還偶爾可以看見奔馳的單車少年）穿著人字拖短褲，踱著頻率是其他地方四分一步子，拖著情侶手的將軍澳人立刻讓我覺得，這就是我要住的地方！香港分為十八區，大家平時都會說，我是新界人，我是大圍人，比講什麼黨派的人更加旗幟鮮明，所以我好驕傲以後可以講自己係將軍澳人。將軍澳人到底是些什麼人呢？

將軍澳人一般不是特別特別的有錢，所以生活氣氛好濃。商場裡物廉價美，都像會過日子的小媳婦，不富裕卻什麼也不缺，井井有條，看起來還有幾分滋潤，不信，你單看那花生，就有鹽焗，蒜蓉，水煮，爆炒各種味道各種做法。學校附近的商場一般有那麼一堆小食店，滿足貪嘴的孩子。塗滿花生醬的格仔餅，朱古力味的雞蛋仔，濃濃咖哩汁撈麵，在落課放學的時候散發出難以逃脫的誘惑。穿著厚厚灰色校服的男孩女孩們在小烤箱旁邊乖乖排隊，那些抽著煙的壞男孩子，穿著短得讓路過師奶們不放心的小褲子的女孩們則在烤肉店前不羈的大聲說笑。那個略胖，笑哈哈的年過四十，老不正經的烤肉師傅，會同各個年級的女孩女人們調笑，惹得她們或者哈哈大笑或者不好意思的擰過頭去。

English

When I was looking for a house in Hong Kong, I got off to search at every subway station. But it was Po Lam station on Tseung Kwan O that stole my heart. When I arrived and saw the wide roads there (really wide, as difficult as that is to believe about Hong Kong), I was struck by seeing everyone wearing flip-flops and shorts. People walked at maybe a fourth of the speed of everywhere else, and the presence of couples strolling through Tseung Kwan O hand in hand made me feel that this was the place I wanted to live.

You see, because Hong Kong is divided into eighteen districts, normally when you meet someone, you tell them that you're "from the New Territories" or "from Tai Wai." It's like being in a political party, only more so. So once I moved into Tseung Kwan O, I could tell people I was from there. But what does that really mean?

Tseung Kwan O people aren't really wealthy, and that's why it has such a livable atmosphere. The goods in the shopping malls are inexpensive but nice; it feels like someone who has just gotten married. And although the neighborhood isn't wealthy,

it's comfortable and you don't lack for anything. And it's also a bit exotic. Don't believe me? Just take a look at the way they cook peanuts -- salt-roasted, with minced garlic, poached, quick fried, and more. The shopping mall near the school has dozens of snack bars for all the hungry children. It's impossible for kids to escape from waffles smothered with peanut butter, chocolate egg puffs, and juicy curry noodles when going home. You'll see boys and girls wearing thick grey uniforms and waiting next to the ovens. The bad boys will be smoking, and there will be girls laughing in front of the roast meat shop, their skirts so short that passing housewives start to worry. The chef at the meat shop is an obese middle-aged man who always laughs and flirts with all kinds of students and women, sometimes making the women laugh or feel embarrassed and turn away.

Cultural Insight

The Districts in Hong Kong

Hong Kong is divided into eighteen administrative districts, each of which is ruled by a local district council. These institutions are leftovers from the island's days under British rule. The district councils are responsible for advising the government on local policy, operating public facilities, providing public services, and using government funds for recreational and cultural activities.

If you are coming to live in Hong Kong, get used to these names! The eighteen districts in the territory are: Central and Western (中西區), Wan Chai (灣仔), Eastern (東區), Southern (南區), Yau Tsim Mong (油尖旺), Sham Shui Po (深水埗), Kowloon City (九龍城), Wong Tai Sin (黃大仙), Kwun Tong (觀塘), Kwai Tsing (葵青), Tsuen Wan (荃灣), Tuen Mun (屯門), Yuen Long (元朗), North (北區), Tai Po (大埔), Sha Tin (沙田), Sai Kung (西貢), and the Islands (離島).

As today's blog suggests, each district can have a very different character. If you are new to

Hong Kong, you might want to try getting a short-term rental when you arrive on the island and seeing which part of the city you like before signing a long-term rental contract. This will give you the time to see the city, and get a feel for which district you like best and where you want to be a resident for a more long-term stay.
